BMP Business Mentor Program for Young People

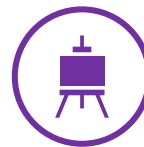

Are you a High School Student? Dreaming Big? Want to learn real life business skills they don't teach at school? Now you can!

In RSCC we care about our future generations and believe in your potential!

We partner for you

Today world is changing fast! The economy is responding rapidly. In a partnership with education and business community, RSCC is offering a class of future possibilities for young people. Together we intend to empower the next generation with real business tools and knowledge to move along with reality, we motivate and guide them into business world to build a better future for themselves and our community.

Real Business instructors

Not sure what career you will choose yet? We have highly qualified professionals in many different fields, ready to pay you a visit and introduce you to their expertise!

"We are stronger together" Russian Speaking Chamber of Commerce

We will be talking about:

- 📚 Career Life Choices, what salary range do you desire?
- 📚 What do employers look for in employees?! (Business ethics, values and responsibilities)
- 📚 Financial skills. Payday Loan Pitfalls. Do you spend more than you make?
- 📚 Colledge Life Budget Planning. Are you ready to stay on your own?
- 📚 Ready to buy your own first car? Let's see!
- 📚 Ready to know what interest is and how to make money?! Earn Interest on Interest, make right choices.

What can you actually learn from our business class?!

- How to plan (short-mid-long term goals planning) Understand business planning and planning in general.
- How to craft an elevator pitch – If you had fewer than 3 minutes to represent yourself and tell your story for a dream job position, what would you say?!
- IT points: Explore the basic elements of Power Point Presentation, Functions of document in Word and Excel spreadsheet, learn some cool tricks on social media platforms.
- Introduction to a Project Management; Do you have a project you need to manage? We will guide you to the basics of handling it.

- ▶ We offer face-to-face and online classes, with instructions on both, English and/or Russian Languages.

- ▶ Class space and availability is limited and may be filled upon demand.

RSCC is offering this class to our members' audience only, as a response to a current learning situation caused by COVID-19 pandemic. We want young people to stay busy planning their future and dreaming about tomorrow, less worry about today.

"Everyone wants to live on top of the mountain, but all the happiness and growth occurs while you're climbing it." Andy Rooney
