

Serving our Community

Our Senior Program is a Community source for our elderly generation, who are active, looking to socialize, get involved in a community life, speak their language, safely get out of the house, meet new people, and explore!

Local or not, dive in!

It doesn't matter if you live in Austin or just visiting, RSCC is offering every senior to join and become a member! The program offers an opportunity for a participation in different activities, learn something new, meet friends and socialize with one another.

Your turn to shine!

“The longer I live, the more beautiful life becomes.” – Frank Lloyd Wright
