## DECEMBER 2021 NEWSLETTER

Another year together!

RSCC is proud to have all of you on board and recommending your business is our highest priority!

Please take a minute to look through our business directory and “e-meet” some of our new members! A lot of them are young startups who will appreciate any advice from our experienced business owners. Some are not new to business world but trying to relocate in Texas. Let’s give them a team high five and a warm welcome to RSCC!
